

From the Desk of Editor

The editorial board of journal of Ravishankar University (JRU) Part B [Science], would like to extend a very warm welcome to the readership of JRU Part B [Science]. I would like to offer a word of thanks to our readers, our author and contributors and editors for their support of the journal and its mission to promote scientific papers of good quality and to capture high quality works in interdisciplinary researches.

The journal is indexed in Google Scholar, NISCAIR (NSL) and EBSCO database with independent page in GS, receives a large number of manuscripts from various field science.

The editorial board has put significant efforts to digitize the back issues of the journal (which are available in Print Media). However, if any discrepancy or typographical errors are found in any of the manuscript in this issue, please refer to the PDF version of the corresponding manuscript. Since we have received comparably less number of articles in Volume 21, 22 and 23, therefore these volumes are combined together as a single book in the print version of the Journal.
